Operation Write Home Contest

Make your best card, because our heroes deserve the very best!

For every 50 cards your store submits, you'll be entered into a drawing to receive a Lucky 8 Wall* and a collection** of your choice for your store (valued at over $580).

1. Before sending, please check the Operation Write Home Guidelines, to the right, to ensure your card(s) are compliant.
2. "Operation Write Home" must be visible somewhere on the back of the card. It may be handwritten, stamped or printed with a label. If you are doing bulk cards you can order a free stamp. Visit operationwritehome.org and click on the "Free Stuff Tab"
3. Clip or tape the form below to each set of 50 cards.
4. Ship your card(s) to:

Guidelines

No glitter. *It's a safety hazard for heroes, making them visible at night.*

No storebought cards.

Line dark card bases with light paper.

Stamp the backs of your cards. *Put "Operation Write Home" on the back of every card; it can be stamped, handwritten, or on a label. You may also include your own personal information as well—you might just get a letter back from a hero!*
