Membership Collections Agreement

In an effort to assist our independent craft retailers, We R Memory Keepers has established an membership program for all independents. Over the next 12 months starting _____ , your store will have access to an entire collection designed exclusively for member retailers. The collections will ship monthly and will continue for the following 12 month period. In participating with this program, the following benefits will be yours:

• You will automatically receive a 15% discount off the regular wholesale price for the entire collection. The total retail value per collection is over $705.85. Your total cost per month is only $299.99.
• You will have the ability to opt out of up to 4 of the collections in the 12 month period requiring only 8 total collections purchased for a total cost to you of only $2,399.92 over the next 12 months
• In addition you will receive free shipping not only on the monthly collection but **free shipping on all items purchased from We R Memory Keepers over the next 12 months**, starting the first day the first collection is shipped. (Yes, that includes tools and albums). This could amount to an additional 10-15% discount off your purchases from We R depending on location. (Note: The free shipping discount only applies to continental United States customers or any member accounts using a U.S. "ship to" location. Stores not using a freight forwarder and shipping to a location outside the United States will be credited the cost of shipping their product to a US location of our choice.)

By participating in the program you will also agree to the following program rules and terms:

• You will have access and ability to view images and/or examples of the coming collection no less than a week (and potentially up to 90 days) prior to the auto ship of the collection. (Note: The email provided below will be used for notification of new collections.) To view collections, go to www.weronthenet.com. click through on downloads and into membership collection.
• Each collection will start shipping on the 1st of each month, you agree to notify We R by email by the 28th of the month prior if you choose to opt out of any collection. Any request to opt out of a collection received after the 28th will not be accepted. You can only opt out of up to 4 lines. **You must notify We R** by sending an email with your store name, account number, and the collection name you are opting out of to optout@weronthenet.com.
• You are not required to opt out of 4 lines and can accept all 12 and receive the discount on all 12 lines.
• You agree to keep your account in good standing according to the terms set forth for you by We R.
• You understand that canceling the program, or not receiving 8 collections prior to finishing the 12 month period will result in a charge back of the shipping and discounts given for any received product or collections from We R. You agree to pay these charges in the event that the contract is terminated.
• Prepaid accounts must have a working Visa or Mastercard on file. Please notify a We R rep of the preferred credit card number when sending in the agreement.
• Agreement automatically renews after 12 months. You must cancel 60 days before agreement expires by emailing optout@weronthenet.com and typing "Please cancel membership" in the subject line.

We are excited about this program and look forward to assisting our independent retailers in this way. You have made us who We R and we hope can continue to be a great partner for our independent retailers and together continue to grow and succeed.
